President's Report (John J. Gianoni):

- I called Jim Standish to fix the clock at Veterans Park. He stated he would take a look and call me back. Gail Leach also suggested the Clock Museum may have someone to suggest for repair.
- Keys to the lock for water at Quinlan Park were made. Both Ray Diyulio and Mary Jane Lindquist each have one.
- I called the Bristol Chamber of Commerce to cancel our membership due to lack of funding. They returned my call stating they would keep us as members this year without a fee. Thank you to the Chamber!
