Minutes / Newsletter

July 20th, 2022

President's Report (John J. Gianoni):

- We would like to thank Lt. Osborne for sending an officer to direct traffic at our clean-up on July 9th.
- As you know, I have been trying to fix the clock in Center Square and have been calling Mr. Standgish and the project has not moved forward. At our meeting, Gail Leach suggested to call or visit the Clock Museum. I went to the museum and talked to 3 gentlemen about the clock. They do not send repair men out, but I could get a User's Manual and they e-mailed me one. The Clock Doctor came back to the clock and got it to run with the correct time! Bruce Thorin (The Clock Doctor), Mary Jane and myself have a copy of the manual.
- Forestville Island is to be managed by the group. The bridge and railing will be painted by our group.
- Ashley has taken over Facebook.

City Village Report:

City Councilors or Mayor: Non-attended

Leo Bonola, First Deputy: – Happy Birthday to Penny, Ron and Rick. Leo talked about the bell from Frank Owsianko being put in Veteran Square by Post 209. There was a lot of discussion about the placement since the bell has no military background. A letter was passed around to show our concerns and was signed by many. Donna Gianoni then brought the letter to the Park meeting. A special meeting was held and at the time of this newsletter, the outcome is not known.

Rick Leach, Vice President: - Gail Leach has called the city about trash pick-up, the fixing of the War Monument, as well as a crack in the base of the cannon in need of repair.

John Gianoni, Pine Lake: – Pine Lake is an ongoing effort to be kept clean by the Pine Lake Committee.

Bruce Barton, American Legion Post 209: – No Report. For all updated Post 209 event information and happenings, please visit our Facebook page at www.facebook.com/ALpost209. We are always accepting new members.
